The Complete Northern Circuit Safari

The concept of 'safari' summons ideas of exploration, vast plains of the savannah and wild animals. The Complete Northern Circuit Safari captures the magic of Africa by combining brilliant landscapes with spectacular wildlife. Giant is the word that best represents the Tarangire National Park from the numerous herds of African elephants to the colossal termite mounds and the ancient baobab trees. The Lake Manyara National Park was blessed with phenomenal biodiversity of habitat and wildlife and Arusha National Park is home to the infamous Mount Meru. We have two of Africa's Seven Natural Wonders – the lush caldera that contains the Ngorongoro Crater and the ultimate safari destination, the Serengeti National Park. The national parks and conservation areas of the Northern Circuit Safari will surpass every expectation that you have set for this trip.

Day of arrival: Pick up from Kilimanjaro Airport to Arusha town at the hotel where you will overnight. (BB)

Day One: Arusha to Arusha National Park

We will commence the Northern Circuit Safari by traveling to Arusha National Park. The game drive will travel along the shores of Lake Momella and through the bronzed bush where the Ngurduto Crater Buffaloes, waterbucks, giraffes, warthogs, zebras and Gazelle reside throughout the year. The elusive leopards and elephants tend to be shy at Arusha but there is a chance of spotting them. Renowned for flawless memories, the Northern Circuit Safari offers more than the exquisite game drives. Education and exploration are on the agenda, we will set out on foot. The stroll is a chance to feel the sensation Africa's vibrant pulse through the soles of your feet and experience the bush at its core. You will be accompanied by an armed ranger for the walk. He will guide you through the luscious forest up to the crystal waterfall and lead you to the area for viewing the black and white colobus monkeys. Overnight at Arusha National Park.

Day Four: Serengeti National Park to Ngorongoro Crater

Our early morning game drive is exhilarating. The calls of the animals are clear and scents of crisp air linger. Tracks left by predators on the prowl are untouched and could lead us to their den. The splendid rays of orange, pink and purple start to emerge on the horizon as the birds' melodies begin to harmonize. The park is home to leopards, cheetahs, buffaloes, elands, wild dogs, crocodiles, monkeys, baboons, hippos, rhinos and various antelope. A delicious lunch will be served at the park. In the afternoon, we will drive you to the Ngorongoro Crater rim.

Day Five: Ngorongoro Crater to Lake Manyara National Park

We will drive to the Ngorongoro Crater early in the morning. We will have a scrumptious picnic lunch and go on a game drive. The large amount of wildlife as well as the fauna and flora are traits that attribute towards the title of 'Africa's Garden of Eden'. Due to the lofty structure, few animals migrate in and out of the crater, so there is a big chance of seeing every member of 'The Big 5' in one day. You could also encounter vultures, zebra, hippo, wildebeest and hyenas. The alkaline lake attracts flamingos, geese and storks. Our dedicated, skilled, experienced guides will ensure that you discover all the glorious wonders of nature. We will drive to Lake Manyara and they will provide dinner and overnight.
